

Participant Data

PARKING:

If you are not staying overnight, the most accessible parking will be on the east side of the Holiday Inn Express, giving you direct access to the Conference Center. Otherwise you can easily walk to the conference center area without leaving the building.

CLASSROOM ACCESS:

Classrooms in the Conference Center will be clearly marked. This ground level facility is handicap accessible.

RESTROOM FACILITIES:

May be found in the conference center.

LODGING:

If you require lodging, we suggest the Holiday Inn Express to be close to the Conference Center. A manager's reception in the evening and a hot breakfast are included with your lodging.

LUNCH:

Lunch is on your own. North Platte offers a wide variety of places to eat, whether you are looking for a sit down meal or fast food.

NORTH PLATTE REGISTRATION FORM LIFE SAFETY CODE TRAINING

Name: _____

Title: _____

Facility Name: _____

Address: _____

City, State, Zip: _____

Please copy registration form and complete for each person attending the training.

There is no registration fee for this course.

Submit registrations by mail/fax by May 18, 2012 to:

Licensure Unit	FAX: (402) 471-3577
Nicolette Klein	PHONE: (402) 471-2949
PO Box 94986	
Lincoln, NE 68509-4986	

Purpose

This Session is designed to enhance understanding of the Life Safety Code requirements for the Medicare/Medicaid certification programs.

Who Should Attend

This course is appropriate for administrators, building engineers/maintenance staff and other staff in hospitals, ambulatory surgical centers, and nursing homes.

Objectives

At the end of this session, participants will be able to:

1. Describe the Life Safety Code requirements applicable to their facility.
2. Describe how the Life Safety Code requirements are utilized during the survey process.

BREAKOUT SESSIONS are limited in size. Please prioritize the sessions you would like to attend with #1 being your top priority, #2 your second priority, etc. **Classes will be assigned on priority and first come basis.**

- ___ Generator and Essential Electrical Systems for Health Care
- ___ Nursing Home Top 10 K Tags
- ___ Hospital Top 10 K Tags
